

PLANNING PERMISSION

Applicant:
Mr & Mrs S Sanghera
C/o Agent

Agent:
Mr John Phipps
John Phipps Architectural Ltd
Bank Lodge
Coldwells Road
Holmer
Hereford
HR1 1LH

Date of Application: 9 February 2017

Application No:
170474

Grid Ref:350226:238837

Proposed development:

SITE: Land adjacent to 2 Hunderton Road, Hereford, HR2 7AA
DESCRIPTION: Erection of one house

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the approved plans (drawing nos 1309-10) and the materials specified on the application forms, or other materials that have first been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure adherence to the approved plans and to protect the general character and amenities of the area in accordance with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.
- 3 Prior to the first occupation of any of the residential development hereby permitted written evidence / certification demonstrating that water conservation and efficiency measures to achieve the ‘Housing – Optional Technical Standards – Water efficiency standards’ (i.e. currently a maximum of 110 litres per person per day) for water consumption as a minimum have been installed / implemented shall be submitted to the Local Planning Authority for their written approval. The development shall not be first occupied until the Local Planning Authority have confirmed in writing receipt of the aforementioned evidence and their satisfaction with the submitted documentation. Thereafter those water conservation and efficiency measures shall be maintained for the lifetime of the development.

Reason: To ensure water conservation and efficiency measures are secured, in accordance with policy SD3 (6) of the Herefordshire Local Plan Core Strategy 2011-2031

- 4 Prior to the first occupation of the dwelling hereby approved, the construction of the new vehicular access shall be carried out in accordance with a specification to be submitted to and approved in writing by the local planning authority, at a gradient not steeper than 1 in 12.

Reason: In the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 5 Prior to the first occupation of the dwelling hereby approved the existing vehicular access onto the adjoining highway shall be permanently closed. Details of the means of closure and reinstatement of the area shall be submitted to and approved in writing by the local planning authority prior to the commencement of work on the development hereby approved.

Reason: To ensure the safe and free flow of traffic using the adjoining County highway and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 6 Within 8 weeks of the first occupation of the development hereby approved a scheme for the provision of covered and secure cycle parking within the curtilage of the dwelling shall be submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details. The cycle parking shall be installed and made available for use within a time scale to be agreed with the local planning authority.

Reason: To ensure that there is adequate provision for secure cycle accommodation within the application site, encouraging alternative modes of transport in accordance with both local and national planning policy and to conform with the requirements of Policies SD1 and MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 7 With the exception of any site clearance and preparation development shall not commence until a detailed plan, showing the levels of the existing site, the proposed slab levels of the dwelling approved and a datum point outside of the site, shall be submitted to and be approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason: In the absence of sufficient detailed information, the clarification of slab levels is a necessary initial requirement before any groundworks are undertaken so as to define the permission and ensure that the development is of a scale and height appropriate to comply with Policies SD1 and LD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 8 No works in relation to any boundary treatments required by this condition shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the position, type, design and materials of any boundary treatment to be erected. The boundary treatment shall be completed before the first occupation of the dwelling hereby approved. Development shall be carried out in accordance with the approved details.

Reason: In the interests of visual amenity, to ensure the development has an acceptable standard of privacy and to conform to Policies SD1 and LD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 9 With the exception of any site clearance and groundwork (excluding any works to retained features), no further development shall commence on site until a landscape design has been submitted to and approved in writing by the Local Planning Authority. The details submitted should include:

Soft landscaping:

- a) A plan(s) at a scale of 1:200 or 1:500 showing the layout of proposed tree, hedge and shrub planting and grass areas
- b) A written specification clearly describing the species, sizes, densities and planting numbers and giving details of cultivation and other operations associated with plant and grass establishment.

Hard landscaping:

- a) The position, design and materials of all site enclosure (e.g. fences, walls)
- b) Car parking layout and other vehicular and pedestrian areas
- c) Hard surfacing materials

Reason: In order to maintain the visual amenities of the area and to conform with Policy LD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 10 The soft landscaping scheme approved under condition 9 shall be carried out concurrently with the development hereby permitted and shall be completed no later than the first planting season following the completion of the development. The landscaping shall be maintained for a period of 5 years. During this time, any trees, shrubs or other plants which are removed, die or are seriously retarded shall be replaced during the next planting season with others of similar sizes and species unless the Local Planning Authority gives written consent to any variation. If any plants fail more than once they shall continue to be replaced on an annual basis until the end of the 5-year maintenance period. The hard landscaping shall be completed prior to the first occupation of the dwelling hereby permitted.

Reason: In order to maintain the visual amenities of the area and to conform with Policy LD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 11 During the construction phase no machinery shall be operated, no process shall be carried out and no deliveries taken at or despatched from the site outside the following times: Monday-Friday 7.00 am-6.00 pm, Saturday 8.00 am-1.00 pm nor at any time on Sundays, Bank or Public Holidays.

Reason: To protect the amenity of local residents and to comply with Policy SD1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 12 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

Reason: To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment in accordance with the Herefordshire Local Plan Core Strategy policy SD4.

Informatives:

1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations, including any representations that have been received. It has subsequently determined to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

2 Drainage arrangements shall be provided to ensure that surface water from the driveway and/or vehicular turning area does not discharge onto the public highway. No drainage or effluent from the proposed development shall be allowed to discharge into any highway drain or over any part of the public highway.

3 This planning permission does not authorise the applicant to carry out works within the publicly maintained highway and Balfour Beatty (Managing Agent for Herefordshire Council) Highways Services, Unit 3 Thorn Business Park, Rotherwas, Hereford, HR2 6JT (Tel: 01432 261800), shall be given at least 28 days' notice of the applicant's intention to commence any works affecting the public highway so that the applicant can be provided with an approved specification, and supervision arranged for the works.

Under the Traffic Management Act 2004, Herefordshire Council operate a notice scheme to co-ordinate Streetworks. Early discussions with the Highways Services Team are advised as a minimum of 4 weeks to 3 months notification is required (dictated by type of works and the impact that it may have on the travelling public). Please note that the timescale between notification and you being able to commence your works may be longer depending on other planned works in the area and the traffic sensitivity of the site. The Highway Service can be contacted on Tel: 01432 261800.

4 WELSH WATER NOTE:

The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water on 0800 085 3968 to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

SIMON WITHERS
DEVELOPMENT MANAGER

Date: 3 April 2017

YOUR ATTENTION IS DRAWN TO THE NOTES BELOW

Notes

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

The applicant is advised that additional Council Tax payments may be sought in the event that the Valuation Office, who routinely monitor decision notices, consider any part of the development hereby permitted to be self-contained. This assessment is particularly likely to be the case in respect of flats, basement conversions, granny annexes, studio rooms and log cabins and/or where the additional accommodation contains its own kitchen, bathroom and bedroom. Further information can be found on the Council's website at <https://www.herefordshire.gov.uk/search?q=annexes>

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
